## STERILIZATION AND HEALTHCARE EFFORTS

### Sterilization project in Cherkasy, Ukraine

*February 2025 - ongoing*

Initial goal **25 animals + 25 additional + 15 more**

(65 cats both male and female)

### Sterilization cost

**Cat sterilization**

**~ 130 to 370 SEK**

depending on the animal's gender  
and condition, such as pregnancy

In March, we reached **50 animals sterilized through our initiative. But the requests kept coming.** Thanks to your continued support, we've approved **15 more**, bringing the **total to 65 animals** this month.

The need is growing, and with your help, we're ready to do more!

Every donation with the note "Sterilization" helps us continue this vital work – and expand it to other cities in need.

Together, we're not just helping animals. We're creating long-term change.

## STERILIZATION AND HEALTHCARE EFFORTS

### **Sterilization Project in Cherkasy, Ukraine**

Our animal sterilization initiative in Cherkasy is making steady progress, focusing on both stray animals and pets from low-income families.

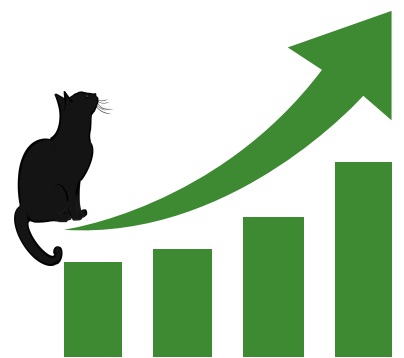

In March, we **sponsored 23 procedures** – including 1 male cat, 11 pregnant female cats, and 11 other females. **As the demand keeps growing, we've extended our agreement** with the veterinary clinic and are now aiming for a total of **65 sterilizations** through this program.

*With your continued support, we can not only reach this goal – but bring the initiative to other cities across Ukraine, where help is urgently needed.*

**Thank you for standing with us!**  
**Together, we can create lasting change.**

### **Why is this so important?**

Each sterilized animal means fewer kittens and puppies born to life on the streets, and controlling the stray population is our responsibility to society.

## *Future plans*

# STERILIZATION AND HEALTHCARE EFFORTS

Looking ahead, **we aim to expand our free sterilization initiative to more cities across Ukraine.** The need is urgent, especially in regions heavily affected by war, where stray animal overpopulation remains a serious issue.

To meet this growing demand, **our team has moved into a larger space and is scaling operations** – allowing us to process more requests, extend our reach, and provide more consistent support.

**Our goal is to deliver long-term care:** sterilization, nutrition, and medical aid for animals suffering due to the ongoing war.

**With your continued support, we can expand this mission, reach more communities, and make a lasting impact for thousands of animals across Ukraine.**

## TO OUR DONORS AND VOLUNTEERS

**A HEARTFELT THANK YOU TO OUR AMAZING DONORS, VOLUNTEERS, AND PARTNERS FOR YOUR CONTINUED SUPPORT THROUGHOUT MARCH!**

This month has been one of growth, movement, and meaningful impact – all made possible by your continued support!

- We delivered **9,403 kg of humanitarian aid** across Ukraine and sent a **6.5-ton truck shipment** with critical supplies.
- Our **sterilization program in Cherkasy continues**, with plans to expand to more regions.
- **Thanks to Arken Zoo for donating 14 pallets** of cat food – a huge help for animals in need.
- We **relocated** our warehouse to support future growth and **held Board elections** to strengthen our mission...

**We're growing because of you!**

But here is still much to do – and together, we're creating real and lasting change.

**Please continue to share, support, and stand with us.**

**Every life saved begins with someone who cares.**
